

Project IMPACT

Benefits Planning

*Are You
Confused
About
Your
Benefits?*

Has the fear of losing your public benefits kept you from exploring employment?

*All services provided
are free and
confidential!*

If you receive TAFDC, SSI, or SSDI, Benefit Specialists from Project IMPACT are available to help you understand the impact work will have on your cash and healthcare benefits.

Our Benefits Specialist may assist you with...

- Questions and information on Social Security Programs and Work Incentives, Benefits through the Department of Transitional Assistance, MassHealth, Medicare, Public Housing, Workers Compensation and other public benefits.
- Development of a confidential, personalized benefit plan
- Understanding of how working can affect benefits
- Counseling and Support on issues concerning benefits
